

“FOOTBALL SERIES”

Oskar Metsavaht selects Football as his research base for the development of OSKLEN'S winter collection 14/15, and finds inspiration in his photography of this subject matter for the creative direction of his collection.

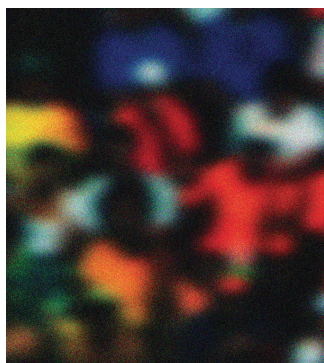

From observing this phenomenon of Brazilian culture, a collection is born, inspired by the dynamics of the passes between the players, the movement of legs, arms and backs, which create an abstract design of lines, shapes, colors and textures.

COLORS: black, off-white, red, neon yellow and green grass.

MATERIALS: wool, dubbed mesh, silk, organza, satin, canvas and tricot.

E-FABRICS: salmon, pirarucu and tricot.

PRINTS: grandstand, smallstand, grass, fence, net e balinese.
